

The map above will show your new pickup day effective September 1 2009. All trash needs to be placed at the curb. Trash routes will start pickup at 6:00 AM. Please have your trash out by 6:00 AM or the night before.

Trash service will be limited to **3-32 gallon cans or equivalent** until the 96 gallon toters are passed out at the end of October, then the service will be limited to the contents of the toter only.

You have one large item pickup per month. Large items shall include, but not limited to: stoves, hot water heaters, washers, dryers, furniture, bound carpet bundles (no more than fifty pounds each, 3 bundles = 1 large item) and other large appliances (all refrigerant goods requiring special handling for CFC's or HCFC's need to be certified free of charge by a licensed contractor). Large item should be placed out on your day of service.
