### Urban Forest and Flower Committee Meeting April 16, 2025

#### Call to order:

Mr. Woolfington @ 2:01 PM

#### Roll Call:

#### Approval of minutes:

Bob Y. motioned to approve the minutes from March 19, 2025 meeting, Jim M. seconded. Motion passed.

#### Old Business-

**Fall Tree planting -** No discussion.

**Flower Planting downtown:** Mike W. said that they would be planting red and white petunias, it will cost about \$400 total and he will be buying them through Cashen Creek. The Chamber will be donating some money toward them. Discussion was held about the addition of planters at the corner of Jefferson and Michigan road near the picket fences that have been placed there. Mike will check on that.

#### New Business:

There has been a lot of storm clean-up needed this spring, mostly evergreens. Because of fear of damage, there have been many requests for tree removal. It has been discussed that door hangers need to be used when staking future tree locations so that the committee can be notified right away when people would rather not have a tree planted in the tree lawn near their homes.

#### Adjournment:

Motion: Mr. Marquardt

Second: Mr. Yoder

All were in favor @ 2:45 PM

**NEXT MEETING:** May 21, 2025 2:00 pm      Plymouth Street Department
