

2025 Curb-Side Leaf Pick-Up Schedule

For the next few weeks (weather permitting) below are the dates and areas scheduled. The scheduled dates could be adjusted due to unforeseen circumstances. We will make every effort to follow the below schedule.

Rake the leaves to the **curb only**! Do not rake into the street. The leaf machine does not go down the alleys or into manufactured housing parks. There is **NO** leaf pick-up in the Spring so get your leaves out early. If you have any questions, call the Street Department at (574) 936-2017.

Calendario de Recogida de Hojas en la Banqueta para 2025

Para las próximas semanas (permitido al clima) a continuación se encuentran las fechas y áreas programadas. Las fechas programadas podrían ser ajustadas debido a circunstancias imprevistas. Haremos todo lo posible para seguir el siguiente horario.

¡Rastrilla las hojas hasta la **banqueta solamente**! No rastrille a la calle. La máquina de hojas no va por los callejones ni a los parques de viviendas prefabricadas. **NO** hay recolección de hojas en la primavera, así que rastrille sus hojas temprano. Si tiene alguna pregunta, llame al Departamento de Calle al (574) 936-2017.

If you have leaves for pick-up after these dates they must be bagged and put at the curb for pick-up, fall and spring. Any loose yard waste not in a container will not be picked-up. Street Dept. does not pick up whole trees or clean up after contractors.

Save this flyer for date reference.

Si tiene hojas para recoger después de estas fechas, deben embolsarse y colocarlas en la acera para recogerlas, otoño y primavera. Cualquier desecho de jardín suelto que no esté en un contenedor no será recogido. Nuestro Departamento de Calles no recoge árboles enteros ni limpia los desechos de los contratistas.

This is an aerial map of the City of Lincoln, Nebraska, overlaid with a color-coded regional division. The city is divided into five distinct areas, each labeled with a letter in a large, bold font: A (blue, southeast), B (orange, south-central), C (green, east-central), D (purple, north-central), and E (red, west-central). The map shows a dense network of streets, including major thoroughfares like US 30 running horizontally across the top and Airport Road running vertically on the right. Numerous local streets are labeled throughout the city, such as Hillcrest Ave, W Harrison St, and S Oak Dr. The map also shows the city's proximity to the Missouri River and the Lincoln National Airport. The color-coded regions likely represent different administrative or planning districts within the city.
