AGENDA ITEMS:

9:00 – Airport Improvements Discussion, Ty Adley

ATTENDANCE:

See attached Attendance Sheet for 2026-02-10

MEETING NOTES:

Airport Improvements Discussion:

Discussion Summary:

- The current location of Airport Road off N. Michigan Street / Michigan Road is located within the FAA flight path of the airport. The FAA has wanted this roadway to be relocated for many years.
- Ty has brought the matter to the TRC members to discuss a possible roadway relocation and how that would impact the area.
- A roadway relocation needs to address immediate needs but also address any potential future growth in the area.
- Multiple suggestions were presented and will be taken back to En-Focus for further discussion.
