**Dollar General Passing Blister Discussion**

Project Summary:

- Michael Thompson (Hamilton Designs) and Joe Leonard (Developer) contest the need for a passing blister and a de-acceleration lane.
  - The November 6, 2018 TRC meeting reflected the need for a passing blister and a de-acceleration lane. Michael Thompson with

Hamilton Designs and Joe Leonard (Developer) were present at this meeting.

- The January 28, 2020 TRC meeting furthered emphasized the passing blister and de-acceleration lane. Austin Tracey with Hamilton Designs was present at this meeting. Due to a typo in Austin Tracey's email address he did not receive the City's notes.
- During today's meeting Michael Thompson (Hamilton Designs) indicated plans were revised based on previous meeting notes prior to being approved by the City.
- With further deliberation on this matter the TRC decided to withdraw its need for a passing blister and de-acceleration lane at this particular site.
