APPROVED:

Mark Senter
Mayor

The following requests have been submitted to the proper committee to act:

5/7/2020 – Tree Request: I would like to inform you about four trees that seem to be leaning toward our house at 1010 Ferndale St. One of these trees on our side of the street, near our driveway, has at least one hole on one of its branches and we are worried that this hole would cause the branch to cause damage to our house if it fell. The falling of this branch would be a danger to those who walk under it and to my family as we enjoy going outside. I hope that the correct measures of action are taken on cutting down this tree, if possible, so that it is no longer a danger. Thank you. S/ Maria Vargas, owner, 1010 Ferndale St, Plymouth, 574-936-6383

5/11/2020 – Tree Request: Trees in front of the house are losing dead limbs causing the limbs to fall onto the sidewalk and into the street. S/ Jerry Weirick, 604 Rex St, Plymouth, 574-933-3857

5/16/2020 – Tree Request: 630 S Michigan St, Plymouth, IN 46563. Large tree between sidewalk and street. Half of it is dead and it is continually dropping branches and large sections of bark. S/ Mark Nelson, 630 S Michigan St, Plymouth, 765-632-8119
