Spring is upon us and summer is right around the corner! The Plymouth Park Department is looking forward to reintroducing ourselves and the public we serve to the services and activities we have to offer and learn how to modify those together to be safe and healthy.

Beginning April 1st, our facilities will once again be open to rent. Call the park office at 574-936-2876 for reservations. We will host our annual Easter Egg Hunt at Centennial Park on April 3rd. Free line dancing classes and free exercise classes will recommence on April 12th. Check our social media pages for more information: Facebook, Instagram, & Twitter.

We have many things to look forward to this summer! The public pool and day camp will open on June 1st. We are planning events with the Rees Theatre, Plymouth Public Library, Plymouth Community Schools, and so much more! Stay tuned!!

We could not be more excited to get back in the swing of things! Be safe, be healthy, social distance, and wear your mask when near others!

Wash out this tired notion that the best is yet to come. ~ Dave Matthews
