Fall Tree Planting:

Ms. Overmeyer and Mr. Arnold are looking for a new supplier of trees.

Mr. Felde reported out of the 34 trees planted last year 33 have made it. The park department will try to water them, but a public notice should be generated for the homeowners care. Mr. Yoder mentioned he may have literature for the care of new trees that could be put on doors of homes.

Mr. Felde felt that an area that should be a candidate for this year's planting should be the strip from CVS to Walgreens.

Downtown Flowers:

Thank You to the optimist club for donating and planting the flowers downtown. The park department will continue to water.
