## RECREATION REMINISCING AND POOL PONDERING

**From: Abby Collins**

As the summer winds down, I can't help but think bittersweet thoughts. Is the summer stressful and chaotic? Of course! Were there challenging times that I have chalked up as learning experiences? Of course! Am I going to miss seeing my day camp counselors, lifeguards, and the smiling faces of the kids I have been spending my entire summer with? So much more than anyone will know. I am beyond thankful to my co-workers, my mentors, my friends who have helped me through my first summer as Recreation Director. I am very much looking forward to the summer of 2022, which will hold new adventures, many smiling faces (some new, some familiar), and a Recreation Director with one year under her belt and a million new ideas to implement!

With Love and Appreciation,

*Abby Collins*
