REGULAR SESSION, BOARD OF PUBLIC WORKS AND SAFETY, June 8, 2026

The Board of Public Works and Safety of Plymouth, Indiana, met in Regular Session at 6:00 p.m. on June 8, 2026. The meeting was held in the Council Chambers on the second floor of the City Building, 124 N. Michigan St., Plymouth, Indiana.

Mayor Robert Listenberger called the meeting to order. Listenberger presided for Board members Duane Culp, Don Ecker Jr., Shiloh Milner, and Dave Morrow, who were physically present. City Attorney Jeff Houin and Clerk-Treasurer Lynn Gorski were also present. The public was able to see and hear the meeting through Zoom and streamed live at https://www.youtube.com/@CityofPlymouth.

Board members Ecker and Morrow moved and seconded to approve the minutes of the regular session of the Board of Public Works and Safety meeting of May 26, 2026. The motion carried.

City Engineer Dan Sellers relayed that the Harrison Street Repaving Project was going to get started shortly, with NIPSCO relocating a gas line at the intersection of Fifth Street and Harrison Street. He stated this was to make room for some drainage improvements as part of that project. He stated this was the only location where we had a conflict between the gas line and the drainage improvements. He stated we were still coordinating, but there was a possibility that they might start in a couple of weeks. He didn't expect any improvement work to begin until August 1, 2026.

Houin stated in August that they would do the sidewalk portion from Oak Drive to Plum Street, and Harrison Street would be repaved from Oak Drive to Michigan Street.

Fire Chief Steve Holm stated he would be opening an application process for a full-time position due to a member in our audience who is retiring on Friday, June 12, 2026. He recognized Health Neidig for his 27 ½ years of service at our department and 22 years as a Firefighter/EMT.

Culp asked if there was any resolution with the Olszewski property on 10240 Muckshaw Road.

Cemetery Superintendent Mike Collins replied that this week Chain of Lakes Services was going to start work on their driveway and anticipated it taking a couple of days. He stated that we agreed to do river rock on the side of the hill. He hoped that would take care of everything. Sellers was confident that it would work.

City Attorney Houin introduced Executive Order 2026-01, Regarding Dumpster Placement on Street.

Houin stated he was contacted by a contractor last week working at the corner of Monroe and Plums Streets. He stated they had an opportunity to have their demolition guys get in and remove some concrete, but they needed permission to put a dumpster on the street to dispose of it.

Board members Morrow and Ecker moved and seconded to ratify Executive Order 2026-01, Regarding Dumpster Placement on Street. The motion carried.

EXECUTIVE ORDER 2026-01

CITY OF PLYMOUTH, INDIANA

REGARDING DUMPSTER PLACEMENT ON STREET

WHEREAS, within the interval between the last and the upcoming Plymouth Board of Public Works and Safety meetings, a request was received from Blue Skies Renovation to place a dumpster on the street in front of 317 W. Monroe Street for renovation work being performed at 323 W. Monroe Street. The purpose of this order is to authorize the dumpster placement as requested. The dumpster is expected to be placed on the street on June 4, 2026 and will be removed on or before June 8, 2026.

NOW, THEREFORE, by virtue of the authority vested in me as the Mayor of the City of Plymouth, in order to ensure the efficient government of the City, pursuant to Indiana Code § 36-4-5-3(7) and all other applicable law, it is hereby ordered as follows:

1. Blue Skies Renovation is authorized to place a dumpster on the street in front of 317 W. Monroe Street beginning on June 4, 2026 and remaining in place through June 8, 2026. The dumpster shall be placed in a manner that will not hinder traffic on Monroe Street.

DATED this 3rd day of June, 2026.
