Notice to COMMON COUNCIL, CITY OF PLYMOUTH, INDIANA

Kindly review of the following request:

On behalf of United Way of Marshall County and Marshall County Hope, I respectfully request to be placed on the Common Council's agenda for March 9, 2026. Marshall County Hope is seeking approval of $57,314 in restricted Opioid Settlement Funds to support its ongoing initiatives focused on the prevention, treatment, and recovery of individuals affected by substance use disorders in Marshall County. These funds would be used in alignment with the allowable uses established for opioid settlement dollars and will directly support coordinated community-based efforts addressing the continued impact of the opioid crisis in our county. Tim Starr, Marshall County Hope Program Director, and I would welcome the opportunity to briefly present an overview of Marshall County Hope's work, outline the proposed use of funds, and answer any questions the Council may have. Please let us know if any additional information is needed prior to the meeting. We appreciate your consideration and look forward to the opportunity to present on March 9.
